National Aviary Offers Senior Discount Day

Seniors who visit the National Aviary on Mondays can enjoy 50% off the already reduced senior admission price.

Admission for seniors on Mondays is now just \$4, one-half the regular senior admission price of \$8. Additionally, seniors who are members of the National Aviary are entitled to bring one guest not named on their membership card for free.

The National Aviary provides a welcoming nature retreat for nature lovers year-round. Imagine yourself south of the equator and watch as flamingos, parrots and other colorful and iridescent birds swim, dive and fly around you in our Wetlands of the Americas room. Experience a taste of the jungle as the sounds of rare and beautiful birds fill the air with song in the Tropical Forest room. Stroll through our exhibits, see birds from all over the world, and learn how the National Aviary is making a global impact through its conservation programs.

The National Aviary is fully ADA accessible and is stroller and wheelchair friendly. Bring the grandchildren (and a camera) and watch them light up as they experience the beauty and antics of our feathered friends.

Aviary staff are always on hand to answer questions, and visitors are advised to check out the day's activities upon arrival. Daily activities include the free-flight bird show Flights of the North Shore, interactive feedings in the free-flight rooms, and the opportunity to hold and feed the Rainbow Lorikeets in the Lories & Friends exhibit.

The National Aviary is open daily year-round from 10 a.m. – 5 p.m. Closed Christmas Day. Free parking is available.

###

The National Aviary inspires respect for nature through an appreciation of birds.
